- Walk-through: alignment, split, and route depth for your assignments.
- Finish every rep on film — sprint off screen, block through whistle.

## NOTES

Play	Note
12	didn't bring your feet with the block and ending up losing the rep
14	make sure to run your motion at full speed have to make the motion look the same every time
15	make sure to sell the bubble and be a threat here, close to losing
34	have to do better here to not get caught up so long on the reroute
35	very close to holding but this is the type of effort I want to see in blocking opened up the Touchdown!
45	let's make sure our motion here is full speed motion and you must do a better job of putting the ball away TUCK TUCK TUCK 3 points of contact
47	you got to the right spot but when you made contact you allowed him to control you then toss you to the side, you must bring more power to the block point and be ready to fight, lost the rep
67	touched no one no effort to block or find work
81	on scramble you are the further out here you gotta turn back at a 45 degree angle toward the qb
90	Put the ball away TUCK
129	Awareness is important here if you fought for 1 more yard we get the first down
