## **NOTES**

Play	Note
29	Looks like you saw the hit coming and short armed it, if you notice this defender not even looking to make real contact, these types of plays are important as a WR toughness matters, added loaf no drop
52	Completely whiffed on the block here
134	The person you were suppose to block ended up making the play
150	i know it run away but. need a lil more than that
170	the route was not run correctrly, if you got out hte break full spend and 45 degree angel you prob catch this pass
171	catch & tuck
