- Finish every rep on film — sprint off screen, block through whistle.
- Strike timing on stalk block — inside hand fit, under control into contact.

## **NOTES**

Play	Note
37	Gotta be able to hold our block in this spot
56	touched no one jogged of the line
109	Got the PI call but i think we can come down with this ball, hits both hands.....
135	good catch and great YAC
136	we have to fight through contact very rarely will they call it, this should be a Touchdown
149	This is a bad route due to the depth not being at 12 back to 10 for the curl also not running the route at full speed, looking for the ball to early
