15	make sure to sell the bubble and be a threat here, close to loafing
34	have to due better here to not get caught up so long on the reroute
35	very close to holding but this is the type of effort i wanna see in blocking opened up the Touchdown!
45	lets make sure our motion here is full speed motion and you must do a better job of putting the ball away TUCK TUCK TUCK 3 points of contact
47	you got to the right spot but when you made contact you allowed him to control you then toss you to the side, you must bring more power to the block point and be resdy to fight, lost the rep
