NOTES

Play	Note
41	You were looking for work and once you had a chance to make a block looks like you missed it completely. Remember to set your base use your hands and run your feet when blocking.
42	Not sure if you were confused on who to block but the person you let go was the person who made the tackle. I assume you were expecting the play to hit outside if so this makes more sense.
72	Good job with your blocking responsibility.
