NOTES

Play	Note
10	When you to the "boundary" or the shorter side of the field your split should be bottom of the numbers.
14	Nice job running your feet. It looked like you lost the initial contact battle but you kept fighting and ended up with a good enough block. Effort matters good job.
30	Ball shown have been throw elsewhere this is not on you, you were in double coverage at the time the ball was released
43	You were WIDE OPEN. solid route. as well QB missed you. At WR ain't much we can do when the QB miss you wide open. Remember your reactions are on film even after a tweak play like this try to keep your compusre best you can.
66	Look like the snap came when nobody was ready. Thats on QB.
72	No running lanes you did what you could and got out of bounds.
94	I like the block here no bad
95	Nice catch, good job getting to scramble drill rules.
96	Overthrown, didn't keep the ball inbounds to give you a shot to catch it.
97	Gotta hold your block a bit longer here.
