NOTES

Play	Note
11	Did your best on the route but the ball should not have been thrown to you in this spot. Good effort on the catch attempt.
13	tough catch well done. Holding on through contact is good on tape.
28	Keep putting your hands on the DB they don't like it and by the 4th is easier to block them.
30	You are open on this play, QB missed you not sure why he was forcing the ball down field
41	Not bad contact here, bigger DB just means body position is more important, always be between the defender and the ball carrier.
43	QB forced it to you when you were not open nothing you can do here.
66	Look like the snap came when nobody was ready. That's on QB.
71	Big play, yards after the catch + field vision well done.
72	Your block ended up being the person who forced time out, Holding this block a bit longer might have opened a lane.
73	I believe this was a catch, refs not going to give you anything @ Hopkins. I also don't know why it took so long to throw this pass you were open.
