- Stay locked in: eyes up, assignment first, next-play reset.

NOTES

Play	Note
11	GREAT blocking here running your feet hard, taking control of the chest plate this is great technique well done here.
13	Great vision leading to a big play.
22	started with a good block and good contact, once the defender is outside of your frame you have to let go and run with him to keep the block.
24	Nice work here, you made contact and that was enough to open the run lane good job!

27	Nice vision on the jump cut.
32	Good contact at the block point here, nard cleaned it up but you started it well done!
47	Got to your depth and got flat good job.
50	You did good initially making contact but you gotta run your feet to hold onto the block here.
64	stop short and box out. when you in a jump ball situation you gotta convert to basketball and its time to get a rebound.
72	nice job blocking downfield after the catch, Your block opened up more yardage on the catch well done.
73	Nice run, good job getting the edge and turning up field.
75	No reason to dive here run through contact gotta get into the endzone !!!! Nice run
86	Nice catch and turning up the field !!!
104	Nice job looking inside to pick up a block.
105	Fumble will count as a missed assignment + lack of focus.
