NOTES

Play	Note
60	ran the wrong route, seattle
71	suppose to block the LB here not the saftey
124	have to find a way to stay on your feet in giving up alot of size on the block so be smart about being inbetween the defender and the ball carrier
126	adjust your slignment her eot be in the middle of the two recievers
128	after you make contact make sure to run your feet and run with the defender if you had done so here i think this is a Touchdown, im not calling it a full Missed Assignment but its a Lack of Focus tho
139	I like your speed on the motions and getting into your route
