NOTES

Play	Note
2	Started the game with the right energy! AT ALL TIMES!!
42	Not a full Missed Assignment because Jeremiah cleaned up the block, make sure we are paying attention to pick this block up.
46	Lack of focus because i felt lik eyou started the block well but needed to run your feet a bit better to hold on to this block.

61	Good effort to try and catch this
72	When a DB bull rushes like it can be random or unexpected. I think you did okay overall but you did get trucked. As long as you are in between the defender and the ball thats a win for that rep.
90	Effort was given for fighting for the extra yards almost a first down. Great vision making quick small cuts gaining ground with each move.
91	Looked like if were able turn and block #18 up field this may have turned into a Touchdown
105	GREAT VISION, hitting the cut back lane and taking off well done. Great cuts made impressive play.
106	Drew defense offsides
116	another great cut to find the open space nice run!!! Dawg plays made tonight
117	Good block here, made contact and got him out of the play i Also gave you a pancake. If the group agrees i will give you the pancake here.
119	Aye you had to meet a bigger body and a thought block well done! he ended up on the ground so you could argue pancake here but good block.
120	Your block here held the lane for the Touchdown. good job!
