NOTES

Play	Note
17	Lets discuss your responsibility here in flim.
29	You looked a bit lost here but good job finding so work late after the whiff ealry.
31	Nice job getting flat down the line on your route,
73	Solid block here opening up running room. good job.
88	Good job picking up the block, I would like you to grab hold of defender and run the feet when you cant this is an example of doing exactly what's needed to or out ball carriers to get the edge.
91	Good catch and great job fighting for extra yards and protecting the ball while doing it well done.
92	Your block opened up the lane for the Touchdown. Great job!
105	Nice double team block here
116	nice job getting the needed block in the hole opened the run! You have to work up to find the block point here as well good job.
