- Strike timing on stalk block — inside hand fit, under control into contact.
- Stay locked in: eyes up, assignment first, next-play reset.

NOTES

Play	Note
14	Chasing this far down the field is high level effort!!!! Look at how db's start crying to the ref when you blocking hard they fold!! Nice work!
16	how did you trip ??? This was a solid release here not bad.
75	Made a good effort here to make a play but not much space to break this screen open
90	Whiffed the block here. Adian saved the day with a great juke. Lack of focus + Whiff. I didn't add a Missed Assignment because you did get the DB out of the play.
105	Can't wait we have to make sure we make contact and don't wait too long because the ball carrier is coming. Aidan saved you again with a good cut.
106	Drew defense offsides
116	Good job chasing the block here this effort is what I like to see well done.
117	I believe I told you all week to block corner, watching it back we should have had you going to get the safety.
120	I like the effort here blocking on the goalline!
