NOTES

Play	Note
14	HUGE block nice pancake this type of effort and energy is exactly what I asked for thank you!!!
16	Dip that shoulder on the release otherwise good job.
41	Nothing but respect !!!!!!!!!!!!! HUGE pancake!!! proud coach
42	Low key you took out 2 people in this play
63	Did your best here to catch it well done.
64	This is the fastest i've ever seen you run a route, well done.
65	Good effort on the hail mary jump ball. I wont give you the drop although I do feel this was dropped. Had 2 hands on it.
72	I know you were talking to the ref here otherwise i would've given you a Loaf/Missed Assignment. I would say at some point pregame talk to the sidelines ref so you are clear in understanding hand signals being on and off the line

87	great effort to get back in front of the DB to get the block.
106	Drew defense offsides
116	I feel like we over ran the block point here. Gotta find a good spot to be able to set your base to engage the block Aidan made a play here your assignment didn't make the tackle but i do feel we could have made a better block .
